THE PROPERTY

Chalech 5 sleeps 8 guests across 4 bedrooms spread over 2 floors. Every detail of this beautiful apartment has been carefully considered. The design marries traditional alpine materials and craftsmanship with modern design, furnishings and finishings to create the ideal alpine apartment for families or groups of friends.

Entering the chalet through its main entrance you will find yourself on the top floor, this is home to the apartment's spacious open plan kitchen, living, and dining room. Also on this floor is the first of four bedrooms. This large twin/double bedroom unites lavish fabrics and aged alpine wood forming a space that is both stylish and relaxing.

Taking the stairs down one level, you will find the main bedroom floor. The first of the three bedrooms is the impressive master bedroom, elegantly decorated in natural green tones and soft, luxurious fabrics, with an en-suite bathroom, separate shower and sauna, this bedroom is a sanctuary. The further two spacious bedrooms are both twin/double rooms and the same care and attention to detail has been taken with their design and decoration. One has a large en-suite bathroom with separate shower and the other has an en-suite shower room.

The apartment has access to a luxurious shared swimming pool, tepidarium, gym and spa, shared with four other properties in the Chalech development.

Prices are based on exclusive use of the chalet on a self-catered basis. Travel excluded.
